DO space®

All programs are FREE & hosted on Zoom.
Visit www.dospace.org/calendar for details.

AFTER SCHOOL CLUB

Afterschool Club: Every week Monday –Thursday
3:30 for ages 11–14 | 4:30 for ages 6–10

Monday: Designing
Learn how to design by making games! We are using Flowlab, an in browser program, to create some games.

Tuesday: Coding
It's coding day! Join us to explore all kinds of free apps & websites to learn more about coding. The first week will be using Scratch!

Wednesday: Making
Get ready to explore maker projects of all kinds ranging from kinetic sculptures to experimental circuits to invention prototyping and more!

Thursday: Surprise Day!
On Thursdays, we will be exploring a range of STEAM activities! Join us each week to see what surprise activity we have in store!

Do Space Code Community (DSCC)

DSCC is an all year, self-paced, informal platform for the casual learner to gain coding knowledge & experience!

DSCC runs in four 12-week cycles. Each cycle will include a lesson plan with activites and helpful information and will include a weekly meetup.

Cycle 1: June 16th - September 1: HTML

Meetups: Tuesdays at 7pm
Find out more at dospace.org/dscc

Wed: Intro to Podcasting
Friday: Microsoft Excel Basics

Week 4: August 26 & August 28
Wed: Generalizing Business Taxes

Virtual Job Interview Lab

Do you have an upcoming job interview but not the space, the equipment, or the privacy? Come to Do Space!

We created our FREE Virtual Interview Lab to assist community members that might need access to high-speed internet, equipment, & space.
