

## OPPORTUNITIES

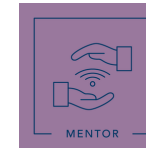

**SIDEKICK:** Answer questions from the community and help technologists with tech-kits and other member services.

**EXPLORER:** Aid Learning Specialists with educational programs and events for all ages.

**CYBER SENIORS:** Assist community seniors one-on-one to help them learn more about technology.

**MENTOR:** Meet with members one-on-one for an hour-long session to help them jumpstart a new skill.

# Volunteer Drive

Join us in leading the community tech movement at Do Space! We invite you to share your technology know-how and passion to have a meaningful impact on the Omaha community by becoming a volunteer. No experience required.

**WHEN:** Saturday, September 11th, 10a-2p

**WHERE:** Do Space, 7205 Dodge St. 2nd Floor

**WHAT:** Informational session, check out our newest tech, and speak with current volunteers! Snacks will be provided.

## BENEFITS

- *Flexible roles with the ability to self-schedule*
- *Share your unique experience and impact the community*
- *Invitation to volunteer appreciation events for volunteers and their families*
- *Access to technology & software*
