DESIGN IT! DESIGN A SUPERHERO LOGO

INTRODUCTION

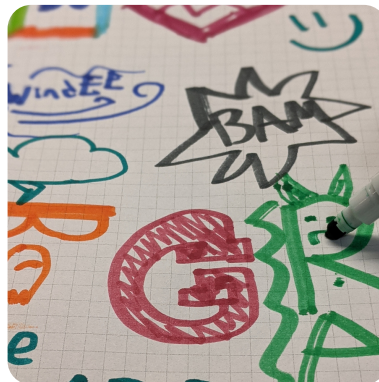

It's costume season and we are gonna design superhero logos. You can design a logo for your Halloween costume or just make one for your superhero alter ego! We are learning how to design logos and then we are making them in Adobe Illustrator. You do not need to create an Adobe account for this class.

WHAT WE'LL BE USING:

- PC or Mac
- Adobe Illustrator

IN THIS ACTIVITY YOU WILL:

- Learn logo design basics
- Draw shapes and lines in Illustrator
- Change stroke and fill
- Move, rotate, scale objects
- Use the text tool
- Show off your work

Subjects:

- Graphic Design
- Visual Hierarchy
- Legibility
- Thoughtful Coloring

Standards:

- 4B
 - 5A
 - 5B
- iste.org

Maker

Capacities:

- Tinker to Explore
 - Finding Opportunities
- agencybydesign.org

Key Terms

- Graphic Design
- Text
- Color Theory
- Visual Hierarchy

Share what you made! @DoSpaceOmaha #DoSpaceSummer
